Stage 1 (comments)

Teams are assigned to one of four groups (A,B,C,D), each group has 5-6 teams

Each group is scheduled for a 30min test slot (e.g. 'Navigation C#3' is the third attempt of group C in the navigation test)

In case of parallel tests teams proceed from one test to the next one

(e.g. first team in 'A' does #2 'Speech' attempt at 14:00 (Arena B), proceeds to #2 'Person' test attempt at 14:15 (Arena B), does #2 'Navigation' at 15:00 (Arena A))

Free testing slots (15min each) are scheduled for each team, two teams are sharing the arena in each slot.

A detailed schedule for the team ordering in each slot will be announced separately.
